

Hi, I am Walter Hayward, the course manager for the DoD Personnel Security Adjudications Course.

If you are a new adjudicator at a DoD Centralized Adjudications Facility or CAF, and working towards your Adjudication Certification, or seeking a more in-depth understanding of the adjudication guidelines used to make eligibility determinations for national security, then this could be just the right course for you!

This interactive course offers a blended learning environment to help you address the challenges often associated with making national security eligibility determinations.

If you attend the DoD Personnel Security Adjudications Course, you will leave with the skills and tools necessary to:

- apply the adjudication guidelines, such as disqualifying and mitigating conditions
- prepare a written justification for your decision, and
- an opportunity network with adjudicators from several DoD CAFs and other DoD personnel security professionals.

Additional information regarding the DoD Personnel Security Adjudications Course, including prerequisite course information, is available in the CDSE course catalog.

I look forward to seeing you in the DoD Personnel Security Adjudications Course.
