

Hello, my name is Kimberly Clark, the course manager for the DoD Advanced Personnel Security Adjudications Course.

If you are an adjudicator at a DoD Centralized Adjudications Facility or CAF, and working towards your DoD Due Process Certification, and want to learn how to prepare Statements of Reasons, then this course could be just right for you!

This interactive course offers a learning environment to help you address the challenges often associated with preparing and making a final determination on cases containing potentially derogatory information.

If you attend the DoD Advanced Personnel Security Adjudications Course, you will leave with the skills and tools necessary to:

- determine when granting clearance eligibility consistent with established policy
- prepare a Statement of Reasons to document potential disqualifying information
- review replies to Statement of Reasons and make a final adjudicative determination

This course will also provide you the opportunity to network with adjudicators from several DoD CAFs.
