

## Special Handling Instructions

Due to issues regarding the submission of investigation requests with special handling/adjudication requirements, PSMO-I requests that the following cases be noted with the appropriate statements in the "Special Handling Instructions" section of the User Agency Block:

1. Access downgraded Overdue PR - Use this note if the subject's access was lowered, but a higher eligibility is still required.
2. SAP - Use this note if the investigation request is required for a Special Access Program.
3. PRP - Use this note if the investigation request is required for a Personnel Reliability Program.
4. Yankee White or PSP - Use this note if the investigation request is required for a Yankee White/Presidential Support Program.
5. SCI - Access to "mission essential" Sensitive Compartmented Information directly supporting the Intelligence Community.
  - Please provide the SCI agency so that the completed investigation can be forwarded for adjudication. If the agency is classified, please use OGA/AGA.

Note: If the submission was stopped in error please notify PSMO-I using the Research eligibility function indicating Attn: PSMO-I in the first line of message.
